Welcome

The Carlyon Bay Hotel has a long history of providing great escapes for those seeking rest and relaxation. Set above the bay with truly inspiring views, it's a wonderful place to unwind and enjoy a taste of Cornish hospitality.

Today the hotel is run by the Brend family and has become distinctive, not just because of its location, but also because of the personal touches that only a family run hotel can offer.

A great escape

With 250 acres of secluded gardens and grounds, including our own championship golf course, a private beach nearby, great leisure facilities, delicious food and a friendly welcome, the Carlyon Bay is much more than just a luxury hotel. Whether you stay with us for a family summer holiday or a relaxing seasonal break, we'll make sure your stay with us is everything you could wish for.

State Room

Home from home

As with the rest of the Carlyon Bay it is the little touches that make all the difference, and in each of our 86 bedrooms it is no different. You'll find bottled mineral water, fresh flowers and chocolates in our deluxe rooms. And if you are celebrating a special occasion, it is no problem to arrange for a bottle of wine or Champagne on arrival. All you have to do is ask. Most of our rooms have spectacular sea views and many provide ample space for families. 24 hour room service is just a phone call away.

Fine dining and entertainment...

At the Carlyon Bay Hotel we are passionate about our food, which is why, when you eat at either of the hotel's restaurants, you can expect great food, beautifully cooked by our team of chefs using fresh and locally sourced ingredients wherever possible. In fact, we source our meat and fish from Westcountry producers, which means that it's not only fresh, but delicious too. And with varied and enticing à la carte and Table d'Hôte menus, there's always some great new flavours to savour.

Our extensive wine list makes good use of local produce too, with some delicious prize winning vintages. It's just another ingredient that goes into making every stay at the Carlyon Bay Hotel a truly wonderful Westcountry experience.

...with an oriental twist

Now you can enjoy something a little different at the Carlyon Bay, with our latest fine dining venue – Fusion. Offering the very finest in Asian cuisine, Fusion combines elements from a variety of culinary traditions, blending the most vibrant flavours and fragrant spices from the East with the wildest locally-sourced ingredients from the Westcountry to create innovative and exciting dishes. So, whether it's a romantic meal for two, a family celebration, or simply an indulgent treat, this exquisite mix of Far Eastern favourites and fresh, locally-sourced ingredients makes for a truly unforgettable dining experience.

The great indoors

A break in Cornwall should always be completely stress-free – but just to make sure, the Carlyon Bay Hotel Spa provides a stunning sanctuary for those seeking ultimate relaxation. Set within the beautiful hotel grounds, our Spa has been designed to provide a total feeling of wellbeing. And with a gymnasium, relaxing hot stone loungers, heated swimming pools, sauna and steam room, not to mention a wide range of indulgent treatments such as aromatherapy, reflexology and massage, you can be sure that a visit to our Spa will leave you feeling totally relaxed, revived and refreshed.

The great outdoors

When the sun shines on the Cornish Riviera we love to live life in the great outdoors – and you will too. The tennis courts are open throughout the year and our nine hole practice golf course is always available – so you can get some practice in whenever you feel the need. And with our heated outdoor pool and terrace open all summer long, it's easy to make the most of our mild Cornish climate. On super sunny days there's no better place to take it easy with a coffee, a bite to eat and a good book. And with the children playing safely in the play area nearby you'll be ready to relax...

Championship golf

On the Carlyon Bay Golf Course you'll find 6,500 yards of challenging cliff top golf. Many of the 18 holes have breathtaking views across the bay and is maintained in peak condition throughout the year by our talented team of ground staff. Use of the course is free to hotel guests and tuition with our resident pro is available for players of every standard. You can even get some practice on our 9-hole approach course – if you need it of course.

Golf Holidays and Golfing Breaks are also available.

An everyday adventure

Every day, as you set out from the Carlyon Bay Hotel, an adventure begins. Perhaps you spend long sunny days surfing on the golden beaches of the North Cornish coast or messing about on the water at Fowey. One day, cultural inspiration at Tate St Ives, the next, an afternoon shopping in Truro or an evening under the stars at the Minack Theatre.

From the world famous Eden Project to the stunning Lost Gardens of Heligan, there's magic around every corner in the Westcountry. Whatever the season, there's no better place to be. And of course there's no better way to see it all than from the Carlyon Bay Hotel.
