80'S THEMED DISCO PARTY NIGHT

Tuesday 13th December

The 1980's was a very diverse time for music and for those of us who grew up through this era the tunes strike nostalgic memories when ever they come on the radio. So, if you were an 'Ant' person, new romantic, electro pop or new wave, this is the one for you. Our DJ will be playing simply 80s tracks all night to take you back to your youth, so, dust off those shoulder pads, pull on your leg warmers and dab on the make up (you too guys) and "Wham" transport yourself back to your teens!!

BEATLES TRIBUTE NIGHT

Thursday 15th December

Let's face it, everyone loves The Beatles! So why not enjoy a great dinner and then twist & shake the night away to those nostalgic songs from one of the biggest bands of all time? Whether you've had a 'hard days night' or fancy a 'day tripper' make sure you 'got a ticket to ride' and join us for good food, great music and remember 'all you need is love'. Mini's and 'beehives' very definitely welcome!

70'S NIGHT THURSDAY

Wednesday 21st December

Join us for an evening of food, fun and funk! It's time to "get your groove on" as we host our 70's night featuring the 'funk-tastic' show band 'Neon Luv Chicken.' Go on, get out those flares and boogie on down in the Lounge where DJ Rob will keep the beat going until 1am. Dress just has to be 70's glam!

To ensure your event goes smoothly, we require a pre-order for parties of 10 or more. If this proves to be too difficult, we would suggest that just 1 option per course is chosen for the whole party. Special dietary requirements can of course be catered for as long as advance notice is given.
